GFCA Beach Handball

The first Beach Handball section in France, founded in 2021.

We were awarded a prize by the French Handball Federation in 2022 for our three-pillar project:

- youth development
- a competitive EBT team
- hosting an EBT tournament in Ajaccio

Our experience

Organizing two editions of the Napoleon's Cup in 2022 and 2023, welcoming the French national team as well as international teams from Brazil, the United States, and the Netherlands, has given us solid experience in hosting national and international competitions.

Our team

- 4 medals in 4 French Territorial Cups (3× 2nd place, 1× 3rd place)
- 4th place at the EBT Finals 2023
- Numerous participations in EBT tournaments across Europe
